Dear Friends and Colleagues:

The Mountain View-Los Altos Girls Softball League (MVLAGS) invites you to sponsor a team in our upcoming 2010 softball season. MVLAGS is a recreational sports organization committed to providing all girls, regardless of athletic ability or experience, an opportunity to explore and enjoy the game of softball. During the 2009 season, with the help of our sponsors, over 480 girls, ages 5-16, from the Mountain View, Los Altos, Los Altos Hills, and Sunnyvale communities were able to play softball.

Our dedicated volunteers have already spent a great deal of time and effort getting ready for the 2010 season. We are looking forward to providing the girls opportunities to learn ***Citizenship - Friendship - Leadership - Sportsmanship – Scholarship***. Our sponsors are important partners in helping us meet these principles.

Key to our success in meeting our goals is gaining financial support and backing from people like you. We recognize that you probably get multiple requests from organizations like ours every year asking for support. We also know that it is essential that we not only attract sponsors, but keep them in order for us to enhance our program and give our girls the best experience possible at the greatest possible value. Our commitment to you is that we'll work hard to promote your business to our league members and to get you maximum return for your sponsorship investment.

For example, the volunteers who manage our web site work hard to provide information vital to our league membership. This in turn motivates our families and friends to query the league web site on a regular basis for the participation information that they need. Hundreds of families who are involved with the MVLAGS program regularly look at this website throughout the season. Your business will have a "web presence" at our site beginning with player registration and continuing through playoffs in June. Our families will have the opportunity to see your business name and (if you choose to participate) view "your" customized message detailing any special offers you are promoting each time they visit the website.

Our sponsorship package (see form on reverse side for cost information) for the 2010 season includes:

- Logo placement and your business name strategically located in multiple locations on our website.
- Creation of a link to your website via the MVLAGS website. This enables you to customize and change your business promotions and have it immediately communicated to our "league families" via the MVLAGS website.
- Mention of sponsors in our e-newsletter which is emailed regularly to our "league families"
- Your business name proudly carried on your team's banner.
- Sponsor appreciation plaque and team picture identifying your business as a proud sponsor of a Mountain View/Los Altos Girls Softball team.

It is our sincere hope that you become a sponsor for one, or more, of our teams. I personally believe that your sponsorship represents a tremendous investment in our community and in the community leaders of tomorrow. If you have any questions, please feel free to contact me via email at vp@mvlags.org.

Thanks for your support.

Sincerely,

Kenneth Larson
Vice President, 2010 Season
